Patent No. : 7,759,419 B2  
Inventor(s) : James Stoffer, et al.  
Issued : July 20, 2010  
For **CORROSION RESISTANT COATINGS**  
Doc. No.: **4002-004-US**

To Whom It May Concern:

The Certificate of Correction issued on September 14, 2010, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The column and line number identifying location of error in patent was not printed in the issued cofc. The correction displays "Column 36, Claim 62, line 3", listing column number, claim number and line number. The correction should be shown as -- Column 36, line 58 (Claim 62, line 3) --. A new certificate of correction will be issued listing the Column and line number location where error appears in the printed patent.

---

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on *a copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
